3 This is a Scriptures Mapped web app. The Bible can be sometimes pretty dull and
  obscure. Bring an extra level of excitement to your kids by showing them exactly
  where events happen in the bible.

5 ## What I learned in Homework 5
6
7 - How to make a readme
8 - It was interesting to see how we used the `vols_loaded` flag to start the loading
  of books into the volumes object
9 - there was some clever things you did, overall I am excited to learn more
